This is your opportunity to make new friends and pamper yourself!

TEEN CHALLENGE MINISTERING TONIGHT

Everyone is welcome to join Celebrate Recovery tonight to hear members of Teen Challenge Pacific NW Graham Center. Dinner begins at 6:00 and the worship service is at 7:00. You will be encouraged and inspired by their testimonies!

SERVE TONIGHT

Celebrate Recovery Needs

Celebrate Recovery meets here Sunday nights at 6:00 and they need people to serve in three areas. Child care workers, greeters and security people are needed. If you can help in any of these areas, please call Dick Huhtala, 577-1392.

YOUTH SERVE TONIGHT

Graduates

Parents of grads, we need info about your student. We'll be honoring them in our morning service on June 8. Please gather some pictures, including a senior photo and loan or email them to us, along with the correct spelling of his/her name and school. We will return your photos.

Campout

We have a campout planned for youth students, grades 6-12 on Friday, May 30 at Seaquest State Park. We'll leave at 5:30 PM and return Saturday by 11:00 AM. The cost is \$15.

KIDS YOUTH SERVE TONIGHT

KCA Kids Check-In

Thank you, all of you wonderful parents and guardians, for checking your kids into Kids' Church at our new check-in station in the lobby. We're so excited about getting our revamping done downstairs for our kids' department! We will have an open house when it's completed.

CAMPAIN

CPC Baby Bottle Campaign

You can help raise funds for Caring Pregnancy Center. Pick up a baby bottle at the Guest Stop, fill it up with your spare change, and bring it back on Father's Day.

THANK YOU

Thank You

Greetings Pastor Russ,
I wanted to send a brief note to express our thanks to you and the church for receiving a special STL offering for us on Easter. This amount will push us over the top for what we need to purchase our next field vehicle. This is a major blessing to us and huge burden lifted. When we get back to Botswana and finally purchase our vehicle we will definitely send pictures and video of our new wheels that you helped to make possible. Serving together,
- Matt & Debbie Mann

Missions Updates

Michael & Dawn Marie Helin (Austria/Central Europe)
Michael has just undergone an arthroscopic knee surgery and the results indicate that he is dealing with a severe loss of cartilage in both knees. We invite you to pray for his healing and direction in the next steps (no pun intended) we should take to deal with this. Thank you for standing with us in prayer and financial support. Your ongoing partnership in missions means the world to us.

Everett & Evelyn McKinney (Singapore)
Paul said to the Thessalonians (2:19): "What is our joy or crown of rejoicing? Is it not even you...?" The students we have taught in Asia Pacific Theological Seminary these months are indeed our crown of rejoicing! Imagine having students from 23 countries in one school, getting ready to minister with greater knowledge and in the power of the Spirit! It is an amazing and wonderful privilege.
